VyndaLink Can Help Your Patients

We are dedicated to supporting VYNDAMAX® (tafamidis) patients by helping them access their medication and offering additional assistance and resources that may help with their treatment journey.*

Additional Field Reimbursement Support

The Pfizer Field Access Specialist (FAS):

- Provides updates about VYNDAMAX coverage and prior authorization requirements for your enrolled **VyndaLink** patients
- Informs you when action is needed for an enrolled VyndaLink patient
- Answers your questions about VyndaLink or the process to obtain VYNDAMAX for your patients

The Pfizer Patient Access Coordinator (PAC)[†]:

- Provides updates to patients about their VYNDAMAX insurance coverage and out-of-pocket costs
- Answers patient questions about **VyndaLink** or the process to obtain VYNDAMAX from a Specialty Pharmacy

Let your Pfizer Account Specialist know if you would like to get in touch with a Pfizer Field Access Specialist in your area.

*The same **VyndaLink** support offerings available to patients prescribed VYNDAMAX are also available to patients prescribed VYNDAQEL[®] (tafamidis meglumine).

[†]Patients who are interested in additional support must opt-in to this offering.

1) ONLINE: Complete the enrollment form online at <u>VyndaLinkPortal.com</u>.

SPECIALTY PHARMACY COORDINATION

We can identify Specialty Pharmacy options based on your patient's insurance coverage[‡]. VYNDAMAX is available through multiple Specialty Pharmacies in the

Plans may require your patient to be reapproved to continue treatment. For patients enrolled in **VyndaLink**, your office will receive a fax listing all patients with a PA expiring in the next 30 days when **VyndaLink** has the PA dates on file.

We Can Help Connect Eligible Patients With Financial Assistance

Once patients are enrolled in the **VyndaLink** program, we can help them understand their insurance benefits and connect them with financial assistance resources for which they may be eligible depending on their insurance type.

Medicare/Government-Insured Patients

For patients with Medicare, Medicare Part D, or other government insurance plans, we can help identify potential financial support options.

Commercially Insured Patients

For eligible patients with commercial, employer, or private coverage, including coverage purchased through a health insurance marketplace, we can help determine eligibility for financial assistance resources, including co-pay assistance.

*Criteria depend on a number of factors, including insurance status, household size, and income. The Pfizer Patient Assistance Program is a joint program of Pfizer Inc. and the Pfizer Patient Assistance Foundation[™]. The Pfizer Patient Assistance Foundation is a separate legal entity from Pfizer Inc., with distinct legal restrictions.
